Welcome to the Chatham County Online Discussion Group!
This list digest is run by Gene Galin for the purpose of providing a public forum for discussions about things in and around Chatham County, North Carolina.

You are welcome to supply information about upcoming events in and around Chatham County. You can also bring up issues concerning the county. We welcome information about Chatham County based businesses. However, please no spamming.

INTRODUCTIONS:

Please feel free to "introduce" yourself to the group. You will find that folks in our group will appreciate hearing a little bit about you - your job, interests, and impressions about what's going on in and around the county. We have an array of folks in this group, so you're never sure what will come up.

HOW THE CHATLIST WORKS:

Our listserver program compiles all emails sent to chatlist@bellsouth.net. Do NOT post your notice at chathamchatlist.com. You MUST send your post to the chatlist email address.

IMPORTANT! If you fail to read these guidelines or choose to ignore them your post(s) will not make the daily digest and you will simply get a email response that will tell you to read these guidelines.

A digest is sent out to chatlist members up to seven times each week. This format and timeline were established based upon feedback from members of the Chatham Online e-mail list. You should receive your first digest e-mail within 24 to 72 hours.

As a Chatham Online Discussion Group member you can submit emails to this group. When we receive your email the program will send you an automatic acknowledgement that we received your email and it will be posted in a timely fashion.

If you're responding to a previous digest please do NOT re-quote the ENTIRE Chatlist. Re-quote only the portion(s) you are referencing. This helps keep the digests at reasonable lengths. Please make sure to provide a subject line that does a good job defining what you'll be writing about.

Although the Chatlist is a moderated list, over 95% of member posts do make it through to the daily digest.

CHATLIST GUIDELINES:

All writers agree not to post any abusive, obscene, vulgar, libelous, hateful, threatening, sexually-orientated or any other material that may violate any applicable laws. Libel includes any false "factual" assertion, as opposed to your opinion, that would damage the reputation or community standing of a person or business. Avoid spreading rumors or making factual assertions without having made an attempt to verify those facts.

NO ATTACHMENTS! NO ATTACHMENTS! NO ATTACHMENTS!

Do NOT send attachments with your emails. Due to the size of most attachments and the possibility of attachments carrying viruses, the chatlist automatically strips any attachment off and will NOT send it out with the digest.

Do not send images, Word documents, PDF files, etc. In other words do not send attachments.

Effective MArch 24, 2008 any emails that include an attachment will be automatically rejected by the Chatlist program. POSTING ON-LINE ARTICLES:

As a general rule we do not allow the posting of entire online articles on the Chatlist. You can post several paragraphs from an online article and you MUST provide a credit line as well as a link to the referenced article.
CLASSIFIED FRIDAYS:

An extremely popular feature of the chatlist is our weekly Classified Chatlist which comes out on Friday mornings. You are welcome to submit a list of your "stuff" or services for sale at anytime during the week. All submitted classified posts are collected and posted on Friday's chatlist. The general guideline is that you can only post the same stuff/service twice a month. PAID "SPONSORSHIPS"

Chatham Chatlist Sponsorships are finally here.

Current sponsorship fee is \$12 per daily chatlist.

Sponsoring the Chatham Chatlist presents your message towards the top of the chatlist to a chathamcentric audience of over 2500 members.

The Daily Sponsorship is open to businesses, big and small, profit and non-profit, individuals, organizations, et al as long as they are based in Chatham.

We will only have ONE main sponsor who will appear at the top of each chatlist (just below the regular chatlist heading and above the table of contents).

I looked at loads of chatlist/newsletter offerings and found that the prices for sponsorships ran from \$10 - \$95 per 1,000 subscribers with most running in the \$25 to \$50 range.

Personally I think this was a tad too high for our little ol' chatlist, so I settled on starting the Chatham Chatlist Sponsorship charge at only \$5 per 1,000 subscribers in 200 subscriber increments

We currently have 2200+ subscribers, so the Daily Sponsorship rate is \$11 per daily chatlist. The sponsorship fee will go up to \$12.00 when the membership list hits 2,400, \$13 at 2,600 and so on.

We will accept reservations for specific dates, but will not be able to make guarantees due to the nature of the chatlist. For example you can request June 6, 7, 13, 14, 21 or you can request the Monday chatlist for the next 10 weeks.

You can reserve sponsorship dates up to 10 days in a month.

Each advertisement is a block of (plain) text, 70 characters wide, up to 10 lines of text.

All sponsorships must be prepaid by check or by credit card via PayPal unless we already have an established advertising relationship.

KEEP IT "CHATHAMCENTRIC":

IMPORTANT: Emails to the group that have nothing to do with Chatham County, or Central Carolina will be not posted to the chatlist. You will receive an email informing you that your "non-chathamcentric" post has not been accepted.

NETIQUETTE RULES APPLY:

Starting youe email post with the phrase "How stupid can you be?" is not a good idea and is not acceptable. As my mom used to tell me when I was a kid - "Play nice."

DON'T SHOUT:

Please avoid using ALL CAPS in your emails. This signifies SHOUTING. The email will be returned to you and you will be asked to resubmit it using upper and lower case letters.

PRIVACY:

We respect the privacy of our members. We do not resell any names or email addresses of chatlist members. "Harvesting" of chatlist email addresses is not permitted. Any member caught trying to "harvest" email addresses from the chatlist will be removed and banned from the chatlist. It's that simple.

IT'S A PUBLIC FORUM:

Excerpts from the chatlist may appear at times in print in the Chatham Journal newspaper and/or web site. All materials posted in the digests are considered public information, unless otherwise stated.

ENJOY THE LIST!

We hope you enjoy the chatlist. Give it a few weeks to grow on you. If it doesn't meet you needs, simply unsubscribe by sending an email to the chatlist with the word UNSUBSCRIBE in the heading. It's that simple.
