Simmons Temporary Staffing Solutions (STSS) is looking for experienced servers, cooks, bartenders, stewards and housekeepers to do temporary work at a five star hotel in Cary. Hotel experience is preferred but not mandatory. Reliable transportation is necessary but car pooling if coming from the same location is suggested. The agency will provide bow ties, jackets and tuxedo shirts for the server and bartending positions but you will provide your own black dress pants, black socks and black shoes.

Cooks, stewards and housekeeping need only wear black pants, white long sleeve shirts, black socks and black shoes. Most of the shifts are night shifts as we are covering dinner banquets - 3:00pm-midnight or 5:00pm-midnight. However, there are some early shifts if we are covering breakfast or brunch. Subject: CARE has Barn Cats for Adoption

Chatham Animal Rescue and Education has two beautiful barn cats available for adoption. These cats were abandoned and left to fend for themselves late last year. The location where they have been living is not safe for semi-friendly cats. At this location, we have seen instances where a cat was stoned to death and another crippled with a rock. One of the cats now available had a severe laceration on her spleen from blunt trauma, again most likely from stoning. Both cats have been sterilized, tested negative for FeLV and FIV, vaccinated and treated with Frontline Plus. You must be willing to provide a safe, sheltered area for them to live, food, water and appropriate vet care as needed. They will require a controlled introduction to their new home, and a CARE volunteer will assist with detailed directions. CARE does not charge an adoption fee for barn cats. Please help us find a place for these cats. Thank you,

Subject: Friday post Jewelry making.

Basic Jewelry Making - Metal Smithing

Learn how to make jewelry in a fully equipped studio. Students learn how to cut, saw, file, texture, drill and polish in the beginning classes. In the advanced class, soldering is taught. Students work with bronze, copper, and silver. Class size is limited, so please sign up early. Studio is located 3 miles from Ferrington Village.

Monthly classes cost \$60 a month, for 4 classes. Classes start over every month.

Wed. & Thur. morning classes are from 9:30 to noon. Wed & Thru. Evening classes are from 6:30 to 9 pm. Students can attend any of the class times to obtain the 4 classes per month. Monthly class times cannot be carried over to the next

month.

In March, there will also be Saturday classes, on the 10th & 13th. The Saturday classes run from 9:30 AM to 3:30 PM with time out for lunch. The fee for these 2 days is \$120.

The first month class fee includes a packet of metals. This is usually enough to complete many pairs of earrings. The second month there is a small materials fee, usually about \$5. Most people walk away with a pair of earrings from the first day of class. If attending the weekend classes, there are many pairs of earrings made.

Classes are taught by Monnda Welch, a metal smith since 1990. For more information, please call 919-244-3711 or monnda.intrex.net.
