This is a donation on the part of the musician. However, if you have CD's, tapes, etc. that you would like to sell you may set up a table. The event is planned for Thursday April 26.

Remember this is a family oriented evening and appropriate music is mandatory. If you are interested in performing at our fundraiser please contact me at jimannjr.at.msn.com<<mailto:jimannjr.at.msn.com>> or (919) 545-9107.

Hello all you Chatham Chatlisters. My house has never been so sparkly clean (and believe me I keep it pretty clean myself) since that wonderful Jane Dever came in and give it the deep and impeccable once over. Her rates are reasonable, she even gave me a free estimate and provided wonderful references. I am so pleased and therefore highly recommend her to clean your house or office too! Subject: The Tax Guy

My friends in Chatham,
I joined the chatlist at my uncle's urging (who lives in Fearington) and because I own some land there and have a number of friends and ties in your fair county.
And I also thought the chatlist was a pretty neat idea. I commend Gene for instigating it! Wish we had one down here in New Hanover county.
Anyway, since I admitted I was a 'tax guy', I have gotten several emails with questions about taxes. Most have been somewhat 'apologetic' about bothering me so I thought I would publicly announce that I am happy to answer your individual questions as best I can. I am not soliciting business, though I am always open to new clients, but it is a nice diversion to me to address tax issues from you.

One of the strengths of the chatlist is that we have a number of people with many different talents who contribute. In my short time as a member, I've seen people who are 'experts' in computer stuff, pet stuff and so on and I'm happy to contribute what I know to the community. Just be aware that generic answers may not always address your specific situation. The tax code and the Treasury Regs to carry it out consisted of 1.7 million words as of 2000 and I confess to not having read them all....

To ask me a question, you will have to run the gauntlet of my 'spam dogs' but if you put 'tax guy' in the subject line, I will get it and try to respond.
And after tax season, I will probably be pestering some of our other chatlist 'experts' with questions of my own in their area of expertise.

Howard, the tax guy
